

An architectural rendering of a city street intersection. The view is from a high angle looking down the street. On the left, there is a large, light-colored concrete wall. The street is paved with cobblestones. A wide pedestrian zone is on the left, with several people walking. A dedicated bicycle lane is on the right, marked with a white bicycle symbol and an arrow pointing south. A person is riding a bicycle in the lane. In the center, a road with a white stop line and a car is visible. The street is lined with trees and buildings. The sky is blue with some clouds. A white box with black text is overlaid on the image.
